The Construction Users Roundtable Announces its 2024 Construction Industry Safety Excellence Award Winners

Cincinnati, Ohio

The Construction Users Roundtable (CURT) is proud to announce its twenty-third annual Construction Industry Safety Excellence (CISE) Award Winners and calls upon the industry to continue its progress in promoting construction site safety across the United States, Canada, and the rest of the globe. As one of its core initiatives, CURT is committed to improving construction industry safety performance.

CURT is an association of leading corporations dedicated to promoting cost-effective construction methods. As major consumers of construction services, the members seek to foster improved construction safety performance by recognizing the achievement of excellence and the promotion of proven effective work practices.

The CISE Award encourages efforts to improve safety by recognizing safety leaders in all construction industry segments. Award applications were available to CURT members and non-members, owners, contractors, and associations throughout the world.

Thanks go to the CURT Construction Industry Safety Excellence Awards Committee, chaired by Chris Fought, Associate Director-Construction Safety for The Americas, Merck & Co., Inc.
