

CURT Solutions Summit – Members Only

Tuesday, June 10, 2025 | Chicago Marriott Oak Brook | 1401 W. 22nd Street | Oak Brook, IL 60523

- 7:00–8:00 AM** **Breakfast & Networking (See Sprint Teams Below)**
Kick-start your day with a full breakfast & network with construction leaders.
- 7:30–9:00 AM** **CURT Sprint Team Meetings**
Check out the Team that interests you!
- *Construction Sustainability*
 - *Procurement & Contracting*
 - *Lean Project Delivery*
 - *Safety, Health & Wellness*
 - *Off-Site Construction/Modularization*
 - *Construction Industry Research*
- 9:00–9:15 AM** **Welcome & Safety Brief**
Greg Sizemore, CURT President
- 9:15–10:00 AM** **Improving Capital Project Outcomes with AI: Practical Applications for Construction Leaders**
Brian Gallagher, Vice President, Corporate Development, Graycor
- Artificial Intelligence (AI) is transforming capital project execution by increasing predictability, reducing risk, and enhancing decision-making. This presentation explores the practical integration of AI into project planning and delivery phases – specifically focusing on the following areas: estimating, scheduling, safety and risk management. Attendees will walk away with a clear roadmap for how owners and construction professionals can adopt AI today to deliver better outcomes tomorrow*
- Learning Objectives***
- 1. Understand how AI drives improvement in scope, cost, and schedule in capital projects*
 - 2. Identify the critical project functions AI is already transforming – estimating, scheduling, project controls, and project management*
 - 3. Learn how AI improves data-driven decision-making, collaboration, and real-time performance tracing*
 - 4. Recognize early adopters' success stories and the measurable ROI of integrating AI*
 - 5. Discover how to begin your own AI adoption journey*
- 10:00–10:15 AM** **Break**

10:15-11:00 AM Mastering Crisis Management

*Mark Nowakowski, Vice President, Risk Control, CNA Insurance
Jack Holt, Global Consulting Director, Business Resiliency, CNA Insurance*

Explore construction crisis incidents and their causes, underscoring the importance of leadership discipline and assessing the maturity of current crisis management programs. Examine how firms have collaborated with risk control experts to create a streamlined crisis management structure and implement ongoing leadership training. All information and resources will be based on international standards and best practices for enhancing an organization's crisis response.

Learning Objectives

- 1. Understand the value and fundamental elements of effective crisis management for expedited decision-making to safeguard the company's physical, financial, and human assets*
- 2. Discover strategies for managing crisis incidents impacting people, critical processes, brand, and marketplace position through case study discussions*
- 3. Examine methods for quickly activating a response structure, perpetual learning, and continuous improvement to enhance your organization's crisis response capability*

**11:00-12:00 PM Recognition & Management of Heat Stress/ Related Illnesses:
The New OSHA Standards**

*Facilitator: Herb Strong, Corporate Ambassador, HazTek Safety Management
Panelists: Bogdan Catalin, OSHA
Lance Simons, Vice President, Safety & Quality, The Haskell Company
Aaron Schoemaker, Vice President of Safety, M.C. Dean, Inc.*

12:00-1:00 PM Lunch & Networking

1:00-1:45 PM Workforce Presentation

Jennifer Wilkerson, Vice President of Innovations & Advancements, NCCER

1:45-2:30 PM Waterfleet Presentation

2:30-4:00 PM CURT Connect: Building Solutions Together

Connect with peers in focused discussions on industry challenges. Share your perspective, learn from others, and co-create meaningful solutions as a community.

4:00 – 4:15 PM Closing Remarks

Greg Sizemore, CURT President

Register at www.curtevents.com

Upon completion of the day, attendees are eligible for 7 CEU/PDH hours to submit to their certifying organizations (note: these organizations make the final decision on credit hours).

Contact Ronna DuBro, Director of Membership & Member Services, via email (rdubro@curt.org) or phone (513-981-2773) with any questions or for assistance needed with registration.
